SECY LAW DEPT GOVT C MYSORE

Sir,

Subject - Rates quoted for Road work in Kumara Park Extension

In submitting the application of Mr C N Thimmayya Contractor for Road work in Kumara Park Extension for increased rates, I have the honour to recommend ten percent (10%) increase over the schedule rates prevailing in the Buildings Range as the rates are unworkable now on account of the high rates prevailing for Labour and Materials.

I request that sanction of government may be conveyed for the increase in rates recommended above

I have the honour to be,

Proceedings of the Govt. of His Highness the Maharaja of Mysore.

rder No.L.651-6/41.157-41-1

Dated, Bangalore 25th July 1944.

The question of constituting a City Improvement Trust Board for Bangalore City is under the consideration of Government. A Bill for constituting the Board was placed before the Representative Assembly at its Session held in June 1944 and approved by that Body. Pending the approval of the Bill by the Legislative Council it may be considered necessary that the schemes to be entrusted to the Board in the first instance should be prepared and kept ready for being taken up by the Board on its formation, so that no time may be lost in carrying them out.

With this object in view Government consider it necessary to employ an experienced Engineer. They are accordingly pleased to re-employ T.Y.Ramaswami, B.A.,C.E., retired Executive Engineer of the Public Works Department as an Engineer for a period of two years on a pay of Rs.500/- with a conveyance allowance of Rs.100/- per mensem. This will be in addition to the pension he would be entitled to under the Mysore Service Regulation.
